Subject: New CORI Regulations

Reminder: New Standardized CORI Procedures for EOHHS

Consistent with Executive Order No. 495, EOHHS has new regulations which establish a single policy and a standardized set of procedures related to the use of Criminal Offender Record Information (CORI) for employment purposes. The new policy reasserts the need to protect the vulnerable populations we serve, at the same time as it acknowledges the need to provide fair employment opportunities to qualified rehabilitated criminal offenders. The new regulations became effective May 1, 2009 for EOHHS and its agencies, and will go into effect on July 1, 2009 for POS providers.

The EOHHS intranet site has been updated with all forms and materials presented at the CORI trainings (see link below). Positions posted prior to May 1, 2009 will not be subject to the new CORI regulations; positions posted on or after May 1, 2009 will be subject to the new regulations and will include CORI information in the job posting if the position has been deemed subject to CORI. Hiring Managers will receive CORI instructions in the hiring packet they receive from HR which details their role and responsibilities in accordance with the regulations. Please ensure your hiring managers are aware of these changes and their obligations to provide candidates with CORI information at the appropriate stage of the hiring process.

http://eohhs-web.ehs.govt.state.ma.us/newhr/forms_CORI.asp

If you have any questions relative to the new CORI regulations, please feel free to contact me or your Employment Services Manager. Thank you.
